#### **DECLÉOR CLASSIC AROMATIC FACIAL**

This multi-active 100% natural treatment is tailored to every skin type. At the heart of this treatment is a 100% natural mask that has a truly unique and surprising texture with Linseed, Wheat Germ and Sunflower oils leaving your complexion glowing with vitality.

#### **DECLÉOR AROMA EXPERT FACIAL TREATMENTS**

These targeted treatments provide an expert response to the needs of every skin type by using exclusive salon professional strength masks. Results are remarkable.

#### **DECLÉOR AROMA TIME PRECIOUS FACIAL**

### **DECLÉOR VITAL EYES**

Keep eyes sparkling and slow the signs of time, stress and fatigue with this incredibly relaxing and targeted treatment. Eyes become clearer, fine lines and wrinkles are smoothed, shadows and puffiness are eliminated.

### **DECLÉOR ALPHA + REFINING FACIAL TREATMENT**

Occasionally every skin type becomes needy. If, despite your regular treatment and skincare routine, your skin appears dull and lifeless, this treatment will restore a natural glow, and leave your skin softer, smoother and more radiant.

### **Non Surgical Facial Treatments**

**Microdermabrasion** is a Non-Surgical method of rejuvenation by means of mechanical skin exfoliation. It can help restore skin giving smoother younger looking skin and is great for treating the following skin conditions: fine lines and wrinkles, sun damaged skin, acne prone skin, blackheads, whiteheads , superficial age spots and hyperpigmentation, oily, dry or patchy skin.

**Non Surgical Facelift** uses safe and painless low-level electrical impulses to “re-program” the muscles back into shape. This in turn supports the facial skin and can give you immediate results after just one treatment

### **Depilation:**

**Strip wax** is a temporary removal of unwanted hair using the finest quality cream wax; it can last up to six weeks dependent on hair growth. Aftercare advice should be followed after every wax treatment.

**Hot wax** is used on more sensitive areas or delicate skin. Hot wax sticks to the hair, not the skin, so it is an ideal wax for clients who suffer from in-growing hairs and redness and is used for specialist waxing procedures.
